

VISION 2020

National Kinesiology Conference

27 - 29 March 2020 **Stamford Plaza Hotel, Brisbane**

As you've heard, one of the most auspicious events in Kinesiology happens in March next year.

The AIK (Australian Institute of Kinesiologists Ltd) and AKA (Australian Kinesiology Association Inc.) are joining forces to bring you a **MEGA** National Kinesiology Conference at the prestigious 5 star hotel, Stamford Plaza, in beautiful Brisbane.

With strong interest from speakers wanting to present, VISION 2020 promises to be the biggest Kinesiology Conference held in Australia since the International Kinesiology Conference, Melbourne 1994.

The Conference offers excellent opportunities to

- learn from the latest research and practice
- network with experts and colleagues in the industry
- expand your professional horizons
- add to your toolkit

Things start moving early on Friday morning with Mini Workshops for Kinesiology practitioners and students to further enhance clinical and business skills. These are an optional extra. See details on following page.

Friday afternoon sees the AKA Management Committee and AIK National Executive preside over a combined forum of respective members, discussing all things Kinesiology and questions regarding 'where to from here?'

The Conference itself commences in the evening with an Acknowledgement of Traditional Owners and formal Welcome from AIK and AKA presidents. The opening lecture follows after which delegates will enjoy canapes and refreshments at the Friday night cocktail function. The perfect time to catch up with regulars and meet and greet new members.

Saturday and Sunday will include a variety of lectures and the hilarious skills auctions. A balancing and networking area will be available and of course, delicious and nutritious morning/afternoon teas and lunches are included in your Conference fee.

If you book in for the Saturday night dinner dance, you'll enjoy a formal 3-course dinner and drinks followed by some energetic dancing that is a highlight of the night. Don't worry if you're coming solo as we all dance together and have a great time. Guests and partners are welcome to book in for both Friday and Saturday night functions.

Trade Tables will be operational from Saturday morning to Sunday close for delegates to check out Kinesiology and complementary products and services. Confirmed exhibitors will be advertised on the AKA website, Facebook and In Touch magazine so you can start making a wish list. E-vouchers will also be available from participating exhibitors.

If you've never attended an AIK or AKA Conference before, the first timers and/or student offer for members will hopefully tempt you to attend. Kinesiology Conferences are always inclusive with effort taken to make sure newcomers feel welcome.

As the Stamford Plaza is perfectly positioned on the banks of the Brisbane River, all rooms have a view. We have negotiated a great bed and breakfast rate for a 5 star venue however this special price is only available until room allocation is full, after which, regular room rates apply - and they will be significantly higher.

The airport is a 20 minute taxi ride and the City Cat and Central Train Station are close by. Airtrain vouchers from the airport to central station will also be available for delegates at a reduced rate.

So come along and take part in an event committed to the growth and development of Kinesiology and Kinesiologists. With a healthy delegate attendance expected, we encourage you to book in early to avoid any disappointment.

For online registration go to www.aka.asn.au or <https://www.aka.asn.au/page-1712713>
Alternatively, you can print out the registration form available in the Events/Conference 2020 section of the website.
